Sir:

**RESPONSE TO RESTRICTION REQUIREMENT**

In a restriction requirement dated June 12, 2003, the Examiner required restriction under 35 U.S.C. § 121 between group I (claims 30-45 and 47-57, directed to a compound and a pharmaceutical composition comprising said compound) and group II (claim 46, directed to a method for producing a compound). Applicants elect to prosecute group I with traverse.

Applicants traverse the requirement on at least the ground that there would be no *undue* burden on the Office to examine the entirety of the closely related subject matter as presently claimed. As evidence of the close relationship of the subject matter of groups I and II, Applicants note that claim 46 in group II ultimately depends from claim 30 in group I. Thus, a search for the subject matter of group II necessarily provides a
